

LIVING WATERS ASSOCIATION

Nebraska Conference

United Church of Christ

To: All Authorized Ministers in the Living Waters Association of the Nebraska Conference of the United Church of Christ

From: Committee on Church and Ministry, Living Waters Association

Friends and Colleagues in Christ,

In February an email went out reminding you that during the year 2022 all authorized ministers would be required again to complete a Tri-Annual Review using the Marks for Ministry Self-Assessment & Peer Review and Ministerial Code Review in order to maintain standing in the Living Waters Association.

Authorized Ministers refers to every minister – licensed or ordained.

The Church & Ministry Committee has set a deadline of **October 31, 2022** to review the goals you set in 2019 and return the paperwork for 2022. We hope that you have begun gathering your information. Hopefully, you have kept a copy of the assessment from 2019 to help you evaluate what you have accomplished since then to sharpen your skills. This is an ongoing exercise for all of us in strengthening our weaknesses and honing our strengths.

There is a copy of the assessment on the Living Waters website, https://www.livingwatersassociation.org/news_publications/resources.html on the Publications and Resources page. There is also a video you can watch for some further information. If you need assistance, please contact Pastor Janet Davis, Registrar, or Pastor Randy L. Sanders, Chairman.

Yours in Christ,
Church and Ministry Committee of the LWA
Pastor Randy L. Sanders, Chairman
